## Digitisation

Please only respond to the following questions if your project involves digitisation.

If you are applying to **digitise** your collection, please explain the reason for digitisation (for example, is digitisation for preservation purposes or to increase access?)

On what basis will items be selected for digitisation? Please describe the project's selection criteria:

What file type will you use to save images? (e.g. TIFF, JPEG, PDF, etc.)? What quality of image will be produced (DPI)?

Will items be digitised on or off site? In both cases, please elaborate on the equipment, staff and/or consultants that will be used for this project.

Are there any intellectual property issues, privacy and / or other legal issues that restrict your use of the digital files?

How will users be able to access the digitised material e.g. will they be available to search on your website? Does the infrastructure already exist or will there be a need to develop new software?

How does your organisation intend to preserve these digital copies in the long-term (five years and beyond)? Where will the copies be deposited and stored? Note: If your organisation has a digital preservation policy, please submit a copy of it as one of your supporting documents.

If your organisation does not have the capacity to ensure long-term preservation of digital material, would you consider depositing a copy of the material with the National Library of Israel (the NLI)?
