Filling in Your Application

1. You can navigate through the application form by clicking on the tabs along the top of the page. Question with a red * are compulsory questions and you will not be able to submit unless they have been completed. You will still be able to go from one tab to the next, but you will not be able to submit until they have been completed.

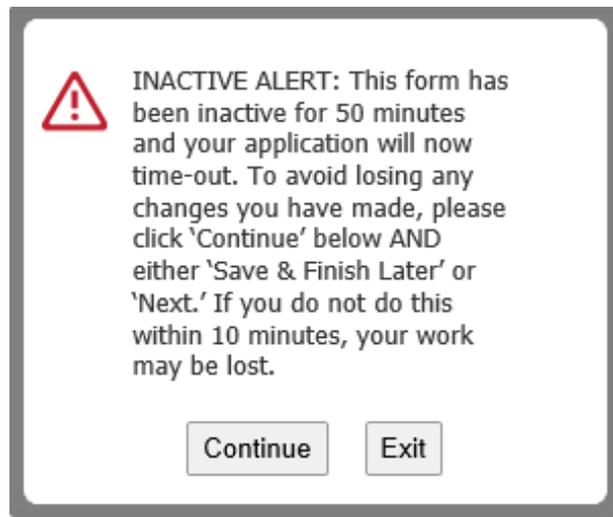

2. You can also move from page to page using the Next button at the bottom of each page:

3. **Please note that your application page must remain 'active' when completing the form -** Typing into a text box does not count towards activity. If left inactive for 50 minutes, you will receive the alert below. In order to continue working on the form or to save the changes made so far, you must press the 'continue' button on the alert AND click either 'Save and Finish Later' or click 'Next' to navigate to the next page. Clicking on the above options at any time during your proposal will reset the inactivity timer.

Clicking on 'Continue' on the alert does not reactivate your form.

Referees

Please download the referee form from your application form (Referees Tab) and save it locally.

When you have completed your application, please email a copy of it together with the reference form to your referees. You can do this by forwarding the 'submission confirmation' email you receive and including the referee form as an attachment.

When your referee has completed the form, they will need to email it directly to reference@rothschildfoundation.eu.

The Foundation will confirm receipt of your references to you via email no later than 5 working days after the referee deadline. If the Foundation has not received your reference(s) you will be contacted no later than 3 working days after the referee deadline. Please do not contact the Foundation during this period regarding your references as there will be a delay in responding to your query.

It is the applicant's responsibility to ensure that the referees submit their references by the referees' deadline.

Adding Attachments

Some applicants are having issues downloading the budget form within the application – please download a copy of the budget form from [here](#).
